1

Street Address _____

This project does not include subdivisions or city limits. Applicants are required to post address by the entrance to their house or on the house if located by the road. If a long driveway leads to your house, please post by the entrance of the driveway. Sign should be at least posted with the number visible from the road and should be no higher than 7 feet. You will be required to pick up the sign from the 911 office when it is completed, we will not be responsible for delivery nor will we mail signs.
